Additional Terms & Conditions:

COINS & CURRENCY

COINS and CURRENCY TERM A: Signature® Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackenmyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the return of Heritage, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of lots. A non-negotiable return fee of 5% of the purchase price ($10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details. Numismatic Guaranty Corporation (NGC), P.O. Box 4770 Sarasota, FL 34230, http://www.ngccoin.com/services/writtenguarantee.asp; Professional Coin Grading Co. (ICG), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111; and Independent Coin Grading Co. (PCGS), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency and PMG may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), P.O. Box 4711, Sarasota FL 34230; PCGS Currency, P.O. Box 10470, Peoria, IL 61612-0470. Third-party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompanies the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reclassified to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: For more information regarding Canadian lots attributed to the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be pre-approved by the Auctioneer; and bidder must notify Ron Brackenmyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. In the event Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, provenance, authenticity, or other transfer or condition issue is claimed, Auctioneer’s liability shall be limited to rescission of sale and refund of purchase price; in no case shall Auctioneer’s maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer’s maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

COMICS, COMIC ART, & ANIMATION ART TERM F: All comics are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third-party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times.

COMICS, COMIC ART, & ANIMATION ART TERM G: Since we cannot examine encapsulated comics, they are sold “as is” without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser’s remedy, if any, shall be solely against the service certifying the collectible.

COMICS, COMIC ART, & ANIMATION ART TERM H: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconverted to any future auction.

COMICS, COMIC ART, & ANIMATION ART TERM I: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COMICS, COMIC ART, & ANIMATION ART TERM J: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COMICS, COMIC ART, & ANIMATION ART K: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.

Rev.11-29-2017
JEWELRY, WATCH & LUXURY ACCESSORY Term A: Jewelry: As most jewelry sold at auction has been worn, and may have been previously repaired, altered, or embellished, ALL LOTS are sold AS IS. Such wear, repairs or changes may display varying levels of evidence, so it is the responsibility of each prospective bidder to fully inspect each lot before bidding and rely upon their own judgment prior to placing a bid. Bidder acknowledges that the absence of any reference to their condition does not imply the absence of wear, repairs, or defects.

JEWELRY, WATCH & LUXURY ACCESSORY Term B: Watches: As most watches sold at auction have been worn, and may have been previously repaired, altered, or embellished, ALL LOTS are sold AS IS. Such wear, repairs or changes may display varying levels of evidence, so it is the responsibility of each prospective bidder to fully inspect each lot before bidding and rely upon their own judgment prior to placing a bid. Bidder acknowledges that the absence of any reference to their condition does not imply the absence of wear, repairs, or defects. No item shall be considered eligible for return unless its original Heritage security tag remains attached and intact.

JEWELRY, WATCH & LUXURY ACCESSORY Term C: All descriptions and statements in this catalog and subsequent invoices regarding measurement, authorship, source or origin, or other aspects are qualified opinions and do not constitute a warranty or representation, and are provided for identification purposes only. Auctioneer warrants only such authorship, period or culture of each lot as is set out in the BOLD faced type heading in the catalog description of the lot, with the following exclusions: this warranty does not apply to any catalog description where it was specifically mentioned that there is a conflict of specialist opinion on the authorship of a lot, or authorship which on the date of Auction was in accordance with the then generally accepted opinion of scholars and specialists, despite the subsequent discovery of new information, whether historical or physical, concerning the artist or craftsman, his students, school, workshop or followers; or opinions which may be proven inaccurate by means of scientific processes not generally accepted for use or which were unreasonably expensive or impractical to use at the time of publication of the catalog. Such limited warranty as to authorship is provided for a period of one (1) year from the date of the auction and is only for the benefit of the original purchaser of record and is not transferable, and any claim regarding the bold-faced provision must be accompanied by two written letters by independent and authorized appraisers in support of the claim. It is specifically understood that no refund agreed to by the Auctioneer would be limited to the purchase price.

JEWELRY, WATCH & LUXURY ACCESSORY Term D: The Auction is not on approval. Under extremely limited circumstances not including authenticity (e.g. gross cataloging error), a purchaser who did not bid from the floor may request Auctioneer to evaluate voiding a sale, such request must be made in writing detailing the alleged gross error, and submission of the lot to Auctioneer must be pre-approved by Auctioneer. A bidder must notify the appropriate department (check the inside front cover of the catalog or our website for a listing of department heads) in writing of the purchaser’s request within three (3) days of the non-floor bidder’s receipt of the lot. Any lot that is to be evaluated for return must be received in our offices within 30 days after Auction. AFTER THAT 30 DAY PERIOD, NO LOT MAY BE RETURNED FOR ANY REASONS.

JEWELRY, WATCH & LUXURY ACCESSORY Term E: Pre-auction estimates of value or “bidding estimates” are opinions provided solely as a convenience to clients, and should only be used as approximations of current market value. Estimates do not include Buyer’s Premiums or sales tax.

JEWELRY, WATCH & LUXURY ACCESSORY Term F: In the event Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title or the bold faced section of description is incorrect, or other transfer or condition issue is claimed, Auctioneer’s liability shall be limited to resumption of sale and refund of purchase price; in no case shall Auctioneer’s maximum liability exceed the high bid on that lot, which bid shall be due for all purposes the value of the lot. After one year has elapsed, Auctioneer’s maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

JEWELRY, WATCH & LUXURY ACCESSORY Term G: Provenance and authenticity are not guaranteed by the consignor or the Auctioneer. While every effort is made to determine provenance and authenticity, it is the responsibility of the Bidder to arrive at their own conclusion prior to bidding. Provenance or other information regarding history of ownership may be provided if known, or may be excluded at the request of the consignor.

JEWELRY, WATCH & LUXURY ACCESSORY Term H: On the fall of Auctioneer’s hammer, Buyers assume full risk and responsibility for lot, including shipment by common carrier or third-party shipper, and must provide their own insurance coverage for shipments.

JEWELRY, WATCH & LUXURY ACCESSORY Term I: Watches in waterproof and water-resistant cases have been opened to identify type and condition. Auctioneer cannot guarantee that the watches are waterproof or water-resistant at the time of purchase. Buyers are advised to have the watches checked by a competent watchmaker with respect to such attributes.

JEWELRY, WATCH & LUXURY ACCESSORY Term J: All dimensions in catalog descriptions are approximate.

JEWELRY, WATCH & LUXURY ACCESSORY Term K: Condition reports are provided as a service to clients. Buyers should note that descriptions of property are not warranties and that watches may need general service, change of battery or further repair work for which the buyer is solely responsible.

JEWELRY, WATCH & LUXURY ACCESSORY Term L: Watch bands made from protected species (i.e. alligator, crocodile) and items made of ivory and tortoise may be subject to restrictions in certain countries.

JEWELRY, WATCH & LUXURY ACCESSORY Term M: Any property made of or incorporating endangered or protected species or wildlife may have import and export restrictions established by the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). These items are not available to ship internationally or in some cases, domestically. By placing a bid the bidder acknowledges that he is aware of the restrictions and takes responsibility for obtaining and paying for any license or permits relevant to delivery of the product. Lots containing potentially regulated wildlife material are noted in the description as a convenience to our clients. Heritage Auctions does not accept liability for errors or for failure to mark lots containing protected or regulated species.

JEWELRY, WATCH & LUXURY ACCESSORY Term N: Descriptions of Handbags, Purses, and Wallets may denote that the hardware is “gold” or “silver”. Such terms refer to the metal color of the hardware, rather than that the hardware is made of a precious metal. Unless there is specific mention as to carat weight or precious metal weight of the hardware, all descriptions using the terms “gold” or “silver” are descriptive of color of the hardware, not a reference to the hardware being made or plated with a precious metal.

JEWELRY, WATCH & LUXURY ACCESSORY Term O: California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

JEWELRY, WATCH & LUXURY ACCESSORY Term P: Jewelry items presented may contain melee-size synthetic (lab-grown) diamonds mixed in with natural stones in finished jewelry. At the present time, there is no cost effective, time efficient method for testing mounted, synthetic diamonds. Although Heritage Auctions performs standard screening procedures within the limitations of the mounting, detection of synthetic diamonds may be possible through advanced laboratory testing. As such, no right of return or price adjustment shall be made on the basis that the item contains or may contain melee-size diamonds.

Rev.11-29-2017
WINE AUCTION TERM A: Bidder’s Age: You must be at least 21 years of age to participate in our auctions.

WINE AUCTION TERM B: Descriptions: While Auctioneer has attempted to describe all property as accurately as possible, such description is based upon a physical inspection and observation. Auctioneer does not warrant or represent, and denies responsibility for the accuracy of the descriptions, encompassing but not limited to, vintage, provenance, authenticity, quality and condition as may be stated on the site. Any and all statements made relating to the property offered on the site are merely statement of opinion and at no time can be construed as warranties and representations of fact or assumptions of any liability on the part of Auctioneer. Auctioneer reserves the right to amend the description of any lot by means of an announcement either oral or electronic. And may withdraw any lot.

WINE AUCTION TERM C: Lots sold “AS IS” “WHEREAS”: Buyer accepts all purchases “AS IS” and “WHEREAS”, notwithstanding any other terms of the Conditions of Sale.

WINE AUCTION TERM D: Notice: The wine industry estimates seven percent (7%) of all wine bottle closures is ruined because of a natural fungus in corkwood that produces the chemical compound trichloroanisole. In almost all cases of “corked” wine, the aroma of the wine is reduced significantly, and a heavily tainted wine is completely undrinkable. Since all of our wine is consigned, and much of it very rare, we cannot replace wines that have been ruined because of cork taint. We do not accept returns of corked wine nor do we refund for corked wine.

WINE AUCTION TERM E: Shipping: All items will be available to the Buyer for pickup or shipment upon Buyer’s payment of the purchase price and prepaid shipping charges. Please note that due to the temperature-sensitivity of wine and complicated wine shipping regulations, we do not automatically ship wine lots. Please contact the Wine department at WineAuctionShipping@HA.com or (310) 492-8635 to make your shipping arrangements. All lots are delivered by Buyer’s preferred method of shipping or by Auctioneer’s selection if no Buyer preference is indicated. Buyer shall assume full responsibility for shipping expenses. This includes shipping costs, packing, and handling. Buyers need to be aware that many states impose restrictions on the quantity of alcoholic beverages purchased or brought into its jurisdiction from another state. Special permits may be required, Auctioneer takes no responsibility for any shipment to any state outside of California nor any confiscation of a shipment to any state.

WINE AUCTION TERM F: Risk of Loss: The sale of the wine between Auctioneer and Buyer takes place at Auctioneer’s California facility. Risk of Loss passed to Buyer upon Auctioneer’s determination of the winning bid. Auctioneer will not reimburse Buyers for lost or damaged shipments. Auctioneer will take precautions to package the wine according to industry standards to minimize the possibility of damage. Auctioneer does not cover any loss or damage due to exposure to temperature variations, shipping delays or defect in or failure of any cork or other bottle closure.

WINE AUCTION TERM G: Shipment outside of California: The primary means of distribution will be common carrier. All wines are to be sold in California by Seller and title passes to Buyer in California. Auctioneer makes no representation as to the rights of anyone to import wine into any state that restricts the personal importation of wine, the wine will be held at Auctioneer’s facility on behalf of Buyer until Buyer makes arrangements to ship the lot to an address in a state that permits such shipments or receives Buyer’s other written instructions.

WINE AUCTION TERM H: Weather: When the weather is too hot or too cold to safely ship wines, Auctioneer will temporarily store Buyers’ wines at no charge.

WINE AUCTION TERM I: Change in Condition: Though every effort is made to describe or measure the levels of older vintages, corks more than twenty (20) years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks occasionally fail during or after shipment. Buyers must understand that there is always a risk of cork failure with old wines. Under no circumstances can an adjustment of price or credit be made after delivery.

WINE AUCTION TERM J: License: Heritage Collectibles, Inc. licensed in the State of California and holds Type 17 and 20 licenses No 5000295.

WINE AUCTION TERM K: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.

**Domain Names & Intellectual Property Term C:** Statistics about domains may be provided by Auctioneer in the catalog and online descriptions (e.g. Google Search Results, Google PPC Rate, Domain Age, Year of Registration, traffic and earnings statements, etc.). **Domain Names & Intellectual Property Term E:** Buyer agrees that country code top level domain names (“ccTLDs”) may have unique requirements for ownership. **STAMPS & PHILATELIC ITEMS TERM D:** Stamps and Philatelic Items sold referencing a third-party certification or grading service are sold "As Is." Without Warranty. Bidder shall rely upon warrants of the authentication provider issuing the Certificate or opinion. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PSE, PF, and APEX may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. **STAMPS & PHILATELIC ITEMS TERM F:** Grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

**STAMPS & PHILATELIC ITEMS TERM G:** Auctioneer does not warrant provenance of a stamp or philatelic item; it is the responsibility of the Bidder to arrive at their own conclusion prior to bidding.

**STAMPS & PHILATELIC ITEMS TERM H:** Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsidered to any future auction.

**STAMPS & PHILATELIC ITEMS TERM I:** Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified and graded stamps and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

**STAMPS & PHILATELIC ITEMS TERM J:** Storage of purchased stamps and philatelic items: Purchasers are advised that certain types of plastic may react with a stamp's ink(s), gum and/or paper or transfer plasticizer to stamps and may cause damage. Caution should be used to avoid storage in materials that are not inert.

**STAMPS & PHILATELICS TERM K:** Extensions Policy:

a. The successful bidder may request the Auctioneer to have a Property or Properties authenticated by an expertizing service set forth in Auctioneer’s preapproved expertizing committees. The extension shall be governed by this section.

g. The failure of the expertizing service to render an opinion is not grounds for return of the Property and the successful bidder shall have their deposit transferred to auctioneer or if credit had been extended pay for the Property immediately.

h. No Property sent to an expertizing committee in the United States may be eligible for a refund or cancellation of its invoice after 120 days following the last day of the sale. Properties sent to an overseas expertizing committee may not be returned after 180 days following the last day of the sale.

i. If the expertizing committee either domestically or overseas fails to issue an opinion in the foregoing time periods, the successful bidder is responsible to immediately pay for the Property.

j. The Property must be returned to the Auctioneer in the same condition as when delivered to the successful bidder. The Successful Bidder until a Property is returned shall assume all risk of loss and damage to the Property. In the event of loss of damage, the successful bidder shall be responsible for the amount of his successful bid and costs of collection.

k. In the event of an unfavorable opinion, Heritage will refund the cost of the lot (if the successful bidder has made a deposit or if on credit cancel the invoice), plus the expertizing fees up to $650.00.

l. On Properties subject to this section, the successful bidder waives any and all other claims pertaining to the auction, the Property or otherwise except as expressly stated herein.
